Re:

- Misrepresented Instruments — Bills of Attainder / Foreign Bills of Exchange titled **Mortgage Statement December 17, 2024**, associated with Account Number **0696921980**;
- Misrepresented Instruments — Bills of Attainder / Foreign Bills of Exchange titled **Mortgage Statement December 9, 2024**, associated with Account Number **1000002795**;
- And ancestral estate in reversion at **703 Deveron Ln., Houston, Texas**

I, Rachael Griffin-El, propria persona, *sui juris*, an aboriginal and indigenous Moorish American sovereign national of the Moroccan Empire at Maghrib al-Aqsá, North-West Amexem (North America), being of legal age and duly affirmed according to law, hereby depose and state the following facts:

1. Heritage and Ancestry

I am a surviving heiress apparent of the ancient Moabites (modernly known as Moroccans), who settled in North-West Africa (Amexem) by permission of the Pharaohs of Kemet. My ancestors were founders and true possessors of the present Moroccan Empire, whose dominion historically extended across North-East and South-West Africa, across the Atlantic, and into present-day North, South, and Central America, including Mexico and the Atlantis Islands.

2. Nationality and Political Status

My nationality and political status as a Moorish American sovereign national, descended by *jus sanguinis*, is recognized under Registration Number **CAA 222141, Class A**, with the Clock of Destiny Moorish American National Identification Card and Zodiac Constitution recorded by Charles Mosley Bey on September 10, 1952, in the Library of Congress Copyright Office and registered with the U.S. Department of Justice.

3. Treaty Rights and Historical Claims

My Moabite ancestors died intestate but retained a reversionary interest in the lands and resources of the Moroccan Empire in North America. Under the **Treaty of Peace and Friendship of 1836** (which superseded the 1787 treaty), binding under the Supremacy Clause of the U.S. Constitution (Article VI, Clause 2), I assert my inherited rights. Article 25 of the 1836 Treaty specifies a fifty-year term, after which the treaty continues unless terminated by twelve months' notice.

4. Inheritance and Stare Decisis

Under **Article 22 of the 1836 Treaty** and consistent with **Kolovrat v. Oregon**, 366 U.S. 187 (1961), I hold treaty rights to inherit ancestral property. State policies, including those of the State of Texas, must yield to overriding federal treaty obligations. These rights are further protected under international law, including the **United Nations Declaration on the Rights of Indigenous Peoples**.

5. Property Description

I assert an adverse claim of aboriginal title to the property located know as **703 Deveron Ln., Houston, Texas 77090**, geographically positioned at Latitude **30.0095° N**, Longitude **95.43774° W**, situated within the dominions of the Moroccan Empire at Maghrib al-Aqsá, North-West Amexem.

6. Land Tenure and Trust

This property is held under the **Allodial Irrevocable Private Living Trust of Rachael Griffin-El**, dated December 2024, for which I serve as Trustee. The accompanying **Memorandum of Trust** serves as evidence of this trust arrangement.

7. Invalidity of Encumbrances

Any mortgage, lien, hypothecation, or fee simple deed claimed or held against this property under feudal law practices (within the purview of the 14th Amendment) by U.S. citizens or corporations is declared ineffective, invalid, null, void, and unconstitutional, in accordance with the **Congressional Record, 90th Congress, 1st Session, Volume 113, Part 12, June 12, 1967, p. 15614.**

8. Purpose of Statement

I make this affidavit to attest to the truthfulness of the facts set forth herein and to preserve and assert my lawful and rightful claims as heir apparent to my ancestral estate.
